3. Nature of the Meme Coin (\$PTDC)

- Pay The Debt Coin is purely a meme coin with no inherent value, financial guarantees, or official backing.
- It is not an investment, security, or currency recognized by any government or financial institution.
- All transactions are final, and there are no refunds or reversals once a transaction is completed on the blockchain.

Users acknowledge that **meme coins are highly volatile** and should be treated as a form of digital entertainment rather than an investment.

4. No Financial or Investment Advice

Nothing on this website constitutes financial, investment, tax, legal, or professional advice.

- We **do not** guarantee any price stability, liquidity, or future value of **Pay The Debt Coin**
- We **do not** assume responsibility for losses resulting from trading or holding **Pay The Debt Coin**
- Users should conduct **their own research (DYOR)** before participating in any cryptocurrency transactions.

By using our website, you acknowledge that you **assume full responsibility** for your decisions and actions.

5. User Responsibilities

By using this website, you agree to:

- Use the website and services **only for lawful purposes**.
- **Not** engage in fraud, scams, money laundering, or illicit activities using **Pay The Debt Coin**
- Take full responsibility for securing your own crypto wallet and private keys.

We are **not responsible** for lost tokens, stolen funds, or compromised wallets. **You are solely responsible** for your digital assets.

6. Smart Contract and Blockchain Transactions

- **Pay The Debt Coin** is an **ERC-20 token** and operates on the Ethereum blockchain.
- All transactions are **decentralized, irreversible, and beyond our control**.
- Gas fees or network fees for transactions **are not controlled by us** and must be paid by the user.

We **do not** have control over smart contract functions, token transfers, or liquidity pools once deployed.

7. Risks & Disclaimers

By using this website and Pay The Debt Coin you acknowledge and accept the following risks:
